

Filipino Question Words – Study Guide

Essential WH-Questions with Examples and English Translations

Prepared by: _____

This guide covers the most common Filipino question words, their meanings, and how to use them in everyday conversation. Perfect for beginner to low-intermediate learners.

Introduction

Mabuhay! Welcome to your essential guide to **Filipino Question Words** (mga panghalip pananong).

Asking questions is one of the most important skills in learning a new language. Whether you are asking for directions, getting to know a new friend, or buying food at the market, knowing the right question word is key to clear communication.

In this guide, you will learn the most common Filipino question words, how to use them, and see them in natural, everyday sentences. We have included polite markers like "po" and "opo" in some examples, as using them is standard when speaking to elders, strangers, or people in authority.
